PUPILS

What is the age range of the pupils who will participate in the project? Age from ☐ Age to ☐

How many pupils altogether are going to participate in the project? 0-10 10-30 30-50 50-100 >100

SUBJECTS You can choose more than one

TOOLS TO BE USED Select the tools you are planning to use during your project. You can update this information at any time after the project has been approved. Please remember that the Twinspace, the working area made available to all registered projects, offers most of the tools you might want to use such as blog, forum, wiki, webpublishing, file archives, image archives, and chat.

- o Audio conference
- o Chat
- o e-mail
- o Forum
- o MP3
- o Other software (Powerpoint, video, pictures and drawings)
- o TwinSpace
- o Video conference
- o Web publishing
- o Virtual learning environment (communities, virtual classes)

AIMS Try to be specific, particularly in terms of competences and skills you hope your pupils will gain through this project. Refrain from stating too abstract concepts such as "European Dimension of education" or "Intercultural communication".

WORK PROCESS State how you intend to work with your partner schools and how responsibilities are shared. Give an approximate calendar of activities, state how frequently you will work with your partner; indicate how you intend to involve your pupils; if you intend to create teams of pupils of different schools, and other relevant information.

EXPECTED RESULTS Indicate here if you are planning a final product such a public TwinSpace, or other resources. You might envisage instead the improvement of a school practice, or new knowledge.
